

This document is a **GRADUATION PATH**. A graduation path is a plan that shows how students can graduate meeting all Minnesota state graduation requirements.

The **GRADUATION PATH** is designed to help new arrival ELL students meet the graduation requirements in four years.

The **GRADUATION PATH** shows which courses students need to take during their four years in high school in order to meet all of the graduation requirements.

Important things to know about the **GRADUATION PATH**:

- Students **must pass** all of their classes in order to graduate on time.
- The four-year plan requires that students **attend summer school** for three years.
- Students might take elective classes (like art and physical education) in a different order than the order shown in the **GRADUATION PATH**.
- Different high schools have different schedules. Transferring from one high school to another may affect the students **GRADUATION PATH**.

If you have questions about this Graduation Path, please see your school's counselor.

HARDING SR. HIGH SCHOOL GRADUATION REQUIREMENTS	Content Area	Credits	Notes
